Hie Degan

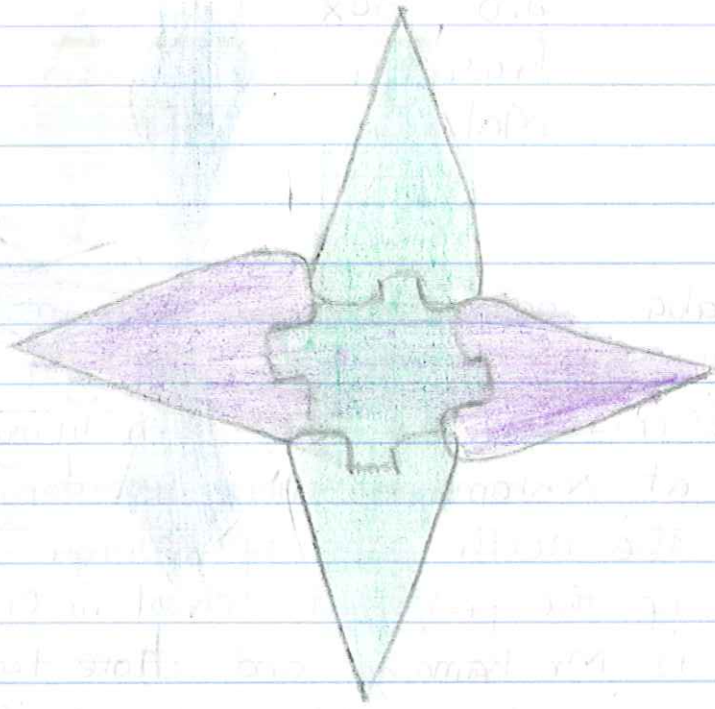

I am Elvas Shaba aged 13. I was born in Malawi and I am still living in Malawi. I have got 2 sisters, and 1 brother. I am the last born in my family. I am in form 2 at Nkhambanga Girls secondary school. It is located to the north west of Kasungu district. It is also one of the prosperous school in our country. My form teacher is Mr Kamanga and I have two best friends namely Lombani and Prisca. My best subjects are physical science, Biology and Mathematics. My favourite singers are p² and young Kay (Malawi). I prefer raggae to classical music. I have a pet dog which is black in colour and its name is Tiger. My hobbies are writing poems and playing tennis so that I should be fit. My favourite colours are red and sky blue.

I usually wear school uniform Monday to Friday because at our school is compulsory. During weekends I like wearing leggings and jeans.

Now I would like to express to you about my routine. I wake up at 5:30 and take a bath. I always have my breakfast at around 7 o'clock. Our classes starts at 7:20 and finishes at 3:30. My favourite foods are rice and sausage. My ambition is to become a pilot. What is your ambition then? I will be happy if you will reply this letter again.
