

A Level Maths Year 11-12 Summer Preparation

- You will receive an email with how to set up your DrFrostMaths.com account (check your junk mail too)
- If you have any login issues please email Miss Bushell via renita.bushell@paddington-academy.org
- You will have work set via the site which is due for your first lesson in September
- You need to get above 80% in every task
- Write down all steps of your working - this will be checked
- This work is not just a suggestion - it is compulsory to ensure you get the practice needed this summer to prepare you for the demands of the A-Level course

Take care and stay safe this holiday – We're looking forward to seeing you in September!

(For support - there are video resources on the PA Student Sharepoint that can be accessed here - <https://paddingtonacademyorg.sharepoint.com/:f:/r/pas/Shared%20Documents/StudentsSharedArea/Maths/A%20level/The%20Jump%20-%20GCSE%20to%20Alevel%20CD?csf=1&web=1&e=oHOzXi>)
