Into University Programme Year 11 Student Phone Calls

Dear Parents

As you're aware, your child in Year 11 has been on the Into University programme since Primary School.

As per the programme, they have received two academic workshops each year, focusing on getting them ready for University.

Unfortunately, due to the pandemic, we will have to change their next session's format into a one-to-one phone call between members of staff from Into University and your child.

The sessions will occur via a 20-minute phone call between 5-6 pm on the week commencing 22nd Feb 2021.

An e-mail has been sent to your child with individual timings.

Due to safeguarding guidelines, Into University will hold these calls using parent phone numbers.

Please do let me know by email if you would prefer your child not to take part in this opportunity nathaniel.wegbe@paddington-academy.org

Nathaniel Wegbe

Yours sincerely,

Nathaniel Wegbe,
Assistant Principal KS4
