

Sociology

- A level
- AQA 7191 / 7192

Assessment

Three exams taken at the end of the two-year course:

- Paper 1: Education with Theory and Methods
- Paper 2: Topics in Sociology
- Paper 3: Crime and Deviance with Theory and Methods (A Level only)

Aim

Demonstrate knowledge and understanding of sociological theories, concepts and evidence and sociological research methods.

Content

Apply sociological theories, concepts, evidence and research methods to a range of issues including family and household, education, research methods, crime and deviance and mass media. Analyse and evaluate sociological theories, concepts, evidence and research methods in order to present arguments, make judgements and draw conclusions.

Why choose sociology?

You will enjoy this course if you are interested in studying trends in society and learning competing explanations to understand how society functions. If you have a passion for debating social issues and critically evaluating explanations for patterns of behaviour you will enjoy this course.
